top c/w 4 rope ratchets and wrap bag	1	1	1	1	1	1	1	1	1	1	1	1	1
color code I.D.; each item unique to a size has a identifying colour key	black	white	white	white	yellow	claret	white	blue	green	red	blue	claret	white

Detailed parts lists, options and accessories available on request

Frame: 2.5" [6.35 cm] anodized structural aluminum alloy

Ropes: double braided polyester cord

Warranty: Lifetime guarantee on all castings

One year on materials and workmanship to the original owner

EXCEPTIONS

* = hexagon dimensions = first figure the width from flat side to flat side, second figure = point to point

*** = Standard units on 9'3"/2.82 m legs

*** = Can be used as a single piece eave for MQ20

Engineering report available to qualified engineers

Fabric: Opaque white vinyl-coated polyester certified by the California State Fire Marshall exceeding requirements for NFPA 701, UL 214, ULC S-109 and M1

Treated to resist mildew, ultra-violet degradation

Flame retardant

marquee specs

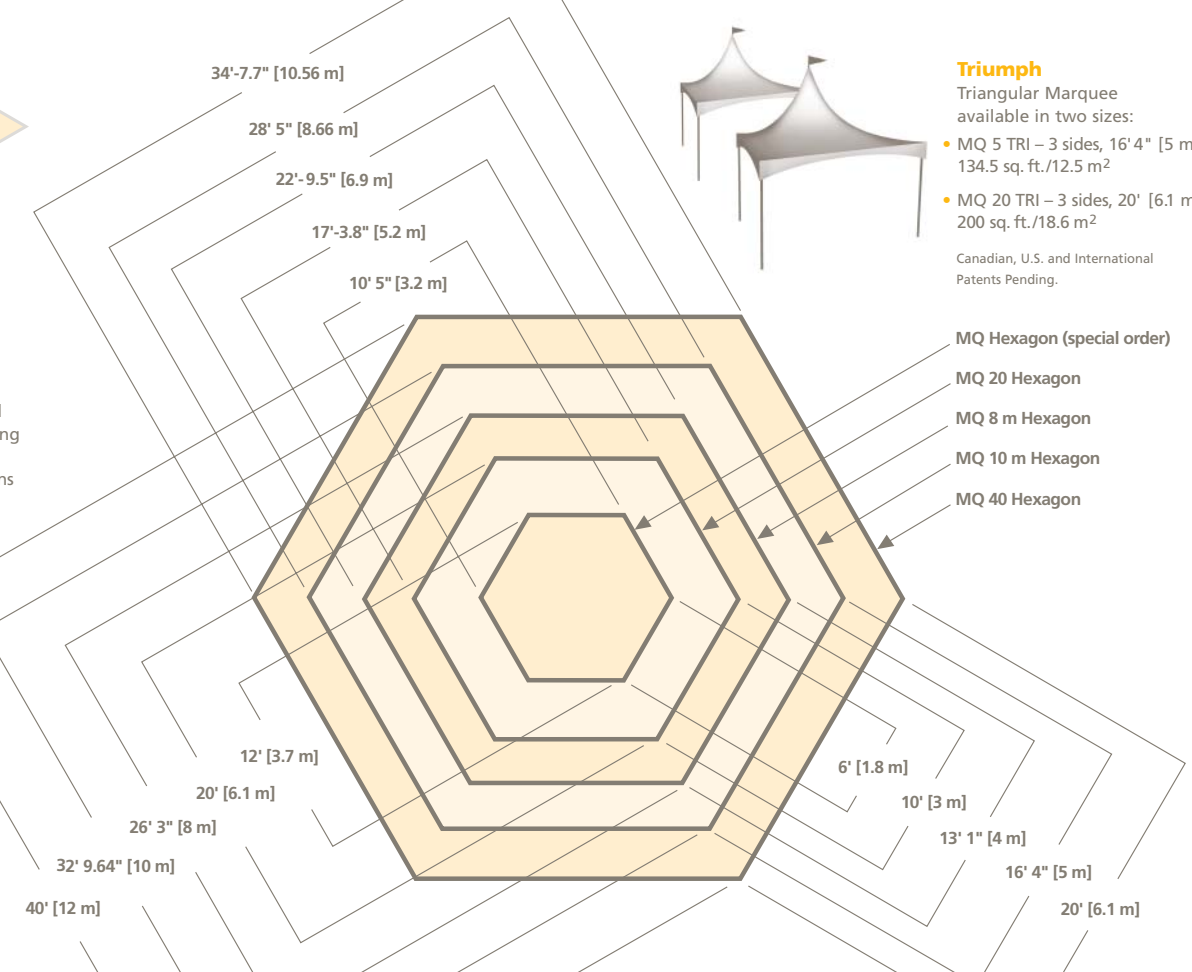

The original premium quality frame tent designed with advanced tension structure principles. Featuring impressive strength, elegant form and ease of assembly. **Marquee for the new millennium.**

SIZES

New Triangular Marquee...
Imagine the possibilities. Cover and create your own amazing space using Hexagon's squares and triangles. Tentnology's revolutionary solutions to any odd shape or space.

Triumph
Triangular Marquee available in two sizes:
• MQ 5 TRI – 3 sides, 16' 4" [5 m] 134.5 sq. ft./12.5 m²
• MQ 20 TRI – 3 sides, 20' [6.1 m] 200 sq. ft./18.6 m²

Canadian, U.S. and International Patents Pending.

MQ Hexagon (special order)
MQ 20 Hexagon
MQ 8 m Hexagon
MQ 10 m Hexagon
MQ 40 Hexagon

Expandable – gutters connect units for an unlimited variety of sizes and configurations.

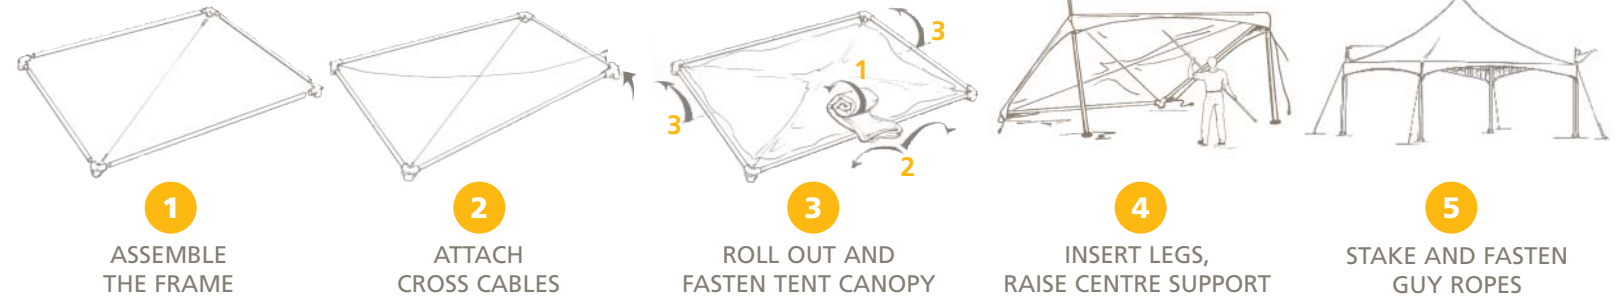

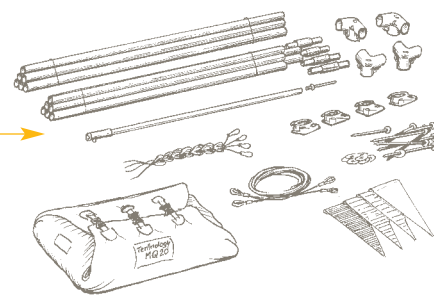

- every square foot of tent is usable anytime, all the time
- the same skills needed for one or a thousand tents

Interchangeable parts – most parts are universal, making purchasing, handling and inventory management efficient and economical.

- **Engineered** – for extreme weather conditions
- **Customized** – colours and graphics available
- **40% less parts** than traditional frame tents
- **Magnum slip fit parts** for maximum strength and durability
